

ESSEX/LIFE garden OF THE YEAR

We are delighted to support
Essex Life Garden of the Year 2026,
celebrating the creativity, care and joy that
Essex gardeners bring to their outdoor spaces.

From coastal plots to wildlife havens, this award
shines a spotlight on gardens that inspire,
nurture nature and reflect the true pleasure
of gardening across the county.

As an independent, family-run garden centre
celebrating 80 years this year, we are proud
to champion the local gardening community
and the spaces that mean so much to it.

THINK YOUR GARDEN DESERVES THE SPOTLIGHT?

To enter, simply email a photo of your
favourite Essex garden, along with its location
(and name if applicable), to
